

That this House notes with concern the ongoing shortage of housing and the housing crisis across England; further notes with concern the number of families in temporary accommodation and the number of people rough sleeping; acknowledges that there are over one million households on housing waiting lists; recognises the Government’s target to build 300,000 new homes each year; acknowledges that this target has been missed in each year that the Government has been in office and that the number of homes constructed by housebuilding companies that are deemed affordable is insufficient; notes the pay ratios between executives and employees in FTSE 350 housebuilding companies; and calls on the Government to tackle the housing crisis as an urgent priority.
