

Dear Sir/Madam

Ref. UTT/21/2509/OP Land South of Radwinter Road, Swards End

I wish to object to this development for the reasons outlined below:

Loss of important farmland for the future of growing food sustainably.

Loss of green space between the settlements of Swards End and Saffron Walden.

Increase in local traffic in and out of the village of Swards End and Saffron Walden.

Lack of local infrastructure including sufficient Schools, doctor's surgeries and dentists.

Extra drain on existing water supply.

Extra run off and drainage into local water courses that already suffer from local flooding.

Yours sincerely

Kathlyn Lester
