Re: land south of (east of Griffin place)

We wish to raise our objection the the above development on the following:-

1. The road down the hill often floods in bad weather and it can be dangerous when this happens.
2. County high school is already over subscribed, where are all these extra children going to go?
3. Increased traffic. Traffic into Walden is already bottle necked sometimes back to Tesco. 200 plus houses will only add to this.
4. Swards End is it's own identity and this development will see us joined to Walden. Not to mention the loss of wildlife. We enjoy the village life.

Please take these comments Into consideration.

Best regards

Dean and Sonia Shaw
