29 April 2022

Dear Sir/Madam,

Development: Outline application for the erection of up to 233 residential dwellings including affordable housing, with public open space, landscaping, sustainable drainage system (SuDS) and associated works, with vehicular access point from Radwinter Road. All matters reserved except for means of access (UTT/21/2509/OP).

Appeal Reference: APP/C1570/W/22/3296426

The Ministry of Defence (MOD) has received notification from Uttlesford District Council stating that the planning application for the proposed development above was refused and is now the subject of an appeal.

The MOD submitted a response dated 02 February 2022 to Uttlesford District Council raising no objection to the proposal.

The MOD has reviewed this application in light of the appeal, and I can confirm this application relates to a site outside of Ministry of Defence (MOD) safeguarding areas therefore, the MOD raises no objection to the proposal.

I trust that the above will be taken into account during the appeal consideration. Should you require any additional information, please do not hesitate to contact me.

Yours faithfully

Teena Oulaghan
Safeguarding Manager
